**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

After 25 yrs of the same internet provider Comcast (awful customer service and random prices), I want more choices of internet/cable service.

The monopoly Comcast has on my neighbourhood has made their service less than average and cost more than they are worth relatively to other providers. Please let other good, hard working cable/ internet companies who provide better services compete fairly in an open and robust market.
